GENERAL INFORMATION

WinSport provides opportunities for Canadians of all ages and abilities to lead healthy, active lives through its world-class facilities and programming. As one of the key venues from the 1988 Winter Olympics, WinSport has evolved into a destination that hosts high-profile entertainment and sporting events and competitions while providing recreational year-round fun for people of all ages.

Our 407, 328 square foot amphitheater features a spectacular view of Calgary to the north with iconic ski jump towers to the south. Due to its shape as a bowl, the views are great from any location the stage is set in.

Amphitheatre features:

- Easy access from airport & just off the highway
- Total square footage of 27,936 sq meters (300,701 sq feet)
- Re-enforced gravel materials have been used to create a 982-sq meter patch for underneath the stage
- Tour parking located on stage left 345 sq meter
- Separate emergency vehicle access road 6 meter wide road
- Production load-in access road 9.3 meters wide
- Additional semi-truck parking onsite

BOOKING PROCEDURES

WinSport has the flexibility to negotiate industry standard market rate deals, flat all-inclusive deals or percentage deals. First time clients are asked to complete a rental application which includes details of the event and business history of the promoter.

Approval for event bookings are subject to approval from WinSport Event Management. Submission of an event request application does not guarantee the event to proceed or dates to be held. Dates will only be secured after there is approval from the committee, a signed contract and deposit with credit card on file.

TENTATIVE HOLDS

FIRST HOLD

Requests for tentative date(s) that are made within twelve months of the event are held for two months, after which time the Event Manager reserves the right to request the date to book another event on the date(s) being held, with notification to the potential renter. When a contract is fully executed and the agreed upon deposit is received, tentative dates will then be considered confirmed.

SECOND HOLD

WinSport facilities and date(s) reserved on a second hold are held pending execution of a contract or the release of the first hold date(s). In the event the first hold date(s) are released, second hold date(s) receive first hold status.

CHALLENGES ON DATE(S)

If a potential renter makes a request for a tentative date being held by another party, they will be given a second hold. If the party requesting the second hold wants to challenge the date, WinSport Event Management will give the first hold client written notice of the challenge and will have seventy two hours to make a non-refundable deposit to secure the date. The first hold client will then be required to return the signed contract within fourteen days. Should the contract not be received within the fourteen days, the date will then be made available to the second hold client.

OTHER CIRCUMSTANCES

If two potential clients are bidding on the same act, the promoter who signs the act receives the contract for the dates, regardless of the hold sequence.

CONFIRMED

Dates are only considered confirmed upon execution of contract & rental agreement, along with receipt of deposit.

EVENT SERVICES

In addition to the venue rental, the client will pay the operational & technical expenses along with labour related to the event. These expenses include, but are not limited to the following:

- 1) Event Cleaning
