

The Canadian Winter Sport Institute provides world-class sport facilities where Canadian athletes can discover, develop and excel. WinSport Canada owns and operates Canada Olympic Park, the Bill Warren Training Centre in Canmore, the Beckie Scott High Performance Training Centre on Haig Glacier, and funds two-thirds of the operating costs of the Olympic Oval in Calgary. A not-for-profit organization, WinSport Canada supports Olympic Winter Sport organizations, encourages educational opportunities and subsidizes the operation of unique training and recreational facilities used by the nation's top athletes and the general public.

These support incentives are available to approved sport partners. Sport incentives are reviewed on a seasonal basis.
