ZIPLINE AT THE PARK

SUMMER 2011

Get big air as you soar from the top of Canada Olympic Park's ski jump tower on North America's fastest Zipline!

Participants fly down the unique cable system in a comfortable harness reaching speeds up to 140 km/hr. As Calgary's highest vantage point, the ski jump tower provides a Zipline that is 500 meters in length with a vertical drop of more than 100 meters.

Your adventure includes all instructions, three ziplines, transportation to the ski jump tower via summer chairlift or shuttle and access to the observation deck of the tower.

Please check in at the Explore the Park Center (located on the main floor of the daylodge) no later than 30 minutes before your scheduled ride. Failure to arrive on time may result in an automatic cancellation.
